SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

It has been another outstanding year at Conder Elementary Arts Integrated Magnet School. Conder continues to enjoy the distinction of being the only arts magnet school in Richland School District Two. Our mission statement is S.tudents T.hrough the A.rts R.each S.uccess. We are an Arts in Basic Curriculum (ABC) Advancement site, and are in our third year of this partnership. Also in partnership with the South Carolina Arts Commission, Conder teachers participated in intensive and ongoing professional development in arts integration. Teachers used arts-integration strategies in everyday classroom instruction. Teachers, students, and parents participated in on-site and off-site arts-related activities such as concerts, musical and dance productions, and art shows. Our primary goals are improving academics and strengthening parent/school relations. As a result of our efforts to achieve these goals, Conder was named a Red Carpet School and continues to be an Exemplary Writing School through the 2010 school year. In addition, our students participated in the Read to Feed Project, which is a service-learning opportunity that required students to read books to raise money that is used to provide livestock to families in other countries and aid them in their hunger crisis. The Read to Feed Project tied directly into our curriculum focus on literacy and learning opportunities for all students to become readers, writers, and thinkers. Through the State Department of Education initiative, Conder's math coach will continue to contribute to the school by providing coaching services for teachers in the content areas of mathematics and science. Reading specialists for the early grades assist in improving the reading of our early childhood students. Conder implements a Two-Tiered Model for Reading instruction. The Tier I model provides reading instruction to all K-5 students who are on target to meet grade level standards, while the Tier II model provides an additional 30 minutes of small-group reading instruction for any K-3 student needing additional support to accelerate their progress in meeting grade-level standards. Additional opportunities for students to achieve greater academic success are provided in the following clubs: Chess Academy, Math Magic, Wee Deliver (In-School Post Office), and the Accelerated Reader Program. Conder also has a male and female mentoring program for fourth and fifth grade students—Star-Gents and A Plus Girls. Community is at the heart of Conder's programs. Parents, guest readers, speakers, and leaders from many businesses and professions across the community are frequent visitors. Students from Columbia College and the University of South Carolina's School of Education provide additional support in classrooms, allowing for more individual instruction. Additionally, many parents participate in conferences, volunteer in classrooms, chaperone field studies, read to students, and assist with special school events. Events such as the Father-Daughter Social, Mother-Daughter Tea, Mother-Son Social, Hispanic Family Night, and many more have become family favorites. Conder faculty and staff continue to work together to reach for the stars and meet or exceed the needs of our students, parents, and community.
